Housekeeping

Housekeeping, as the name suggests, means to keep your house in order, any cleaning and maintenance work with the help of machines is called as mechanized housekeeping. Consortium Services undertakes complete housekeeping of your properties and keeps the dust free and sparkling.

Township Management

Consortium Service provides one stop solutions for Township Management services with our expert hospitality service, civil engineering , parking management , house keeping staffs and various management staff services to ensure the reputation of your property and brand value.

Industrial Parking Management

Parking management refers to various policies and programs that result in more efficient use of parking resources.
... Cost-effective parking management programs can usually reduce parking requirements by 20-40% compared with conventional planning requirements, providing many economic, social and environmental benefits.

Integrated PEST CONTROL Management

Pest control measures may be performed as part of an integrated pest management strategy. In agriculture, pests are kept at bay by cultural, chemical and biological means.

Industrial Catring Services

We are having a good experience in industrial sectors. When it comes to canteen food, we do not compromise with the quality and hygienic of the food items. Hence, we prepare and offer a range of food products as a part of our canteen services. The types and quantity of canteen food items are decided by our customers. We serve the best quality, fresh & hygienic food services 24x7 management systems as per the Industrial requirement at a most reasonable rate.

Laundry Managment

We are professionals in the laundry and dry cleaning business, which means we always stay up to date on the latest technologies, cleaning methods, and solutions for dealing with stains or delicate fabrics. Plus, we maintain the highest standards of business integrity by following local and national regulations and environmental safety rules. We are passionate about changing the way you think about laundry!

Guest House Managment

Providing your guests with an excellent first impression, the management experts ensure that the entrance of the guest house is well maintained. The rooms and common areas are kept with a good standard so that the guests can feel comfortable and at home.

“Comfortable stay and a delightful experience”
